"Art On a Shoestring Budget: the Beauty of Recycled Creations" **

Lead by designer Joyce Bamman

Saturday, April 24th

10:00 am – 11:00 am (ages 4-7)

11:30 am – 12:30 pm (ages 8-12)

Students will be guided in the creation of original art (themed around the world of *Charlotte's Web*) using recyclable materials. The concept synthesizes literary work with recycled art to reinforce the "green" initiative while fostering conceptualization of visual, performing, and literary art. The end result will be a public display in our hallway and lobby of the kids' creations during the run of the show.

"Farmyard Follies" **
